

## Application for membership as an associated member

The following company/organization \_\_\_\_\_  
hereby request admission to the MARITIME LNG PLATTFORM e.V. as an  
associated member.

As an associated member, we shall support the association and its  
objectives either through voluntary financial contributions or ideologically.  
Details will be coordinated with the association management.

The assistance and support of the launch strategy of LNG as an  
environmentally-friendly fuel is not a charitable purpose within the  
meaning of the German Fiscal Code (AO). Since it is also about networking,  
information and assistance of members in addition to the commitment to  
the environment and cleaner transport routes, any sums donated will be  
regarded as so-called fictitious membership fees and will hence be liable to  
statutory value added tax and will be billed by the association. Membership  
may be cancelled at any time pursuant to Section 6 of the articles of  
association by sending written notification or an e-mail to the managing  
committee.

By signing this document, I confirm that I have taken note of and accept the  
contents of the articles of association and the objectives of the association.  
I hereby agree that the association may store the information provided by  
me on data carriers within the framework membership management and  
may use this exclusively for association purposes. Furthermore, the  
association is entitled to publish the membership after agreeing the nature  
of said publication.

Admission to the association shall be subject to the approval of the  
managing committee.
